Requests Sanction to provide the Courts of all Dist and Sessions Judges, Dist Magistrates and Subordinate Judges with Seals 2½" in diameter

1) The following Seal Sizes for the Seals have been prescribed for the Courts noted against each, in G.O. Dt 7-3-1936.

(1) Dist and Sessions Courts and Dist. Magistrates' Courts } 2 1/4 inches in diameter

(2) All other Subordinate Courts (Civil and Criminal) } 2 inches in diameter

HIGH COURT OF MYSORE,

Registrar, High Court of Mysore.

B.T. Kesavaiengar, Esq., B.A.,
Chief Secretary to the Government of Mysore,
Bangalore.

SIR,

With reference to Government Order No.P.5977-87/Cts.14-36-2 dated 5/7th March 1936, prescribing brass circular seals 2¼ inches in diameter for District and Sessions Courts and also for District Magistrates' Courts and 2 inches in diameter for all other subordinate Courts civil and criminal, I am directed to state that it has been found impossible to get the names of some of the Courts in English and Kannada as well as the "Arms" on seals of the sanctioned sizes. For the Courts of Munsiffs, Munsiff-Magistrates and other Magistrates who are not Subordinate Judges seals 2" in diameter will be large enough. But for Subordinate Judges, who are also Assistant Sessions Judges, and for Additional Subordinate Judges, who are also First Class Magistrates, it is found that seals at least 2½" in diameter will be necessary. It would not be appropriate that some Subordinate Judges' seals should be of one size and others of a smaller size nor that the seals of District and Sessions Judges and District Magistrates should be smaller than those of Subordinate Judges. I am therefore to request that in modification of the Government Order quoted above sanction may be given to provide the Courts of all District and Sessions Judges, District Magistrates and Subordinate Judges with seals 2½" in diameter.

I have the honour to be,

Sir,

Your most obedient servant,

T. Shamiengar
Registrar.
